## FALL VIRTUAL CIC – November 17, 2020

This fall, FEF is offering our partners a unique opportunity to meet and interview our FEF students without any concern about travel, social distancing, or time away from the office.

Using **Career Fair Plus**, companies will be able to:

- ▶ Interview students from FEF schools using a virtual connection
- ▶ View student information prior to the conference day
- ▶ Set their own time periods for interviews
- ▶ Speak with up to 6 students at a time individually

## Full-Time Positions and Internships

Whether you are looking to fill full-time positions or wanting to land an intern for the summer, you'll be able to find the right student for your needs. Due to the ease of participation, FEF is planning on having up to 150 students join us for this event – all looking for opportunities in the metalcasting industry.

## Pricing & Schedule – November 17, 2020

**\$300 per company** – includes exhibitor registration & 2 industry representatives

**\$100 per person** – each additional industry representative (up to 4 additional representatives)

**12:30 pm – 2:00 pm (central time)**
